JEFFREY HOBAN JOINS PLS LOGISTICS

FOR IMMEDIATE RELEASE: Rochester, PA - PLS Logistics Services, a leading non-asset based third-party logistics company, announces the appointment of Jeffrey Hoban to the position of Vice President of Operations. Mr. Hoban has 25 years of transportation and supply chain experience, recently serving as Senior VP of Distribution Operations for C & S Wholesale Grocers where he was responsible for 20 facilities with 4000 employees and a \$320 million budget. Mr. Hoban has also held senior positions at Heinz and Johnson and Johnson.

John Gallardo, PLS' President and CEO states, "Jeff brings a wealth of transportation and warehouse management knowledge across multiple industries and products to PLS. He will play a key role in our company's diversification strategy and growth initiative."

"Joining PLS is an exciting opportunity for me," Mr. Hoban notes. "The company is poised for substantial growth on many levels and I am anxious to contribute to that progress. PLS' strong track record of success and industry-leading reputation are impressive and I look forward to working with senior leadership and our team of logistics professionals to further increase PLS' role in the logistics and supply chain arena into the future."

ABOUT PLS: PLS Logistics Services delivers non-asset based logistics solutions to industrial shippers of metals, lumber and building materials, automotive, nuclear, oil and gas and industrial equipment industries. Based in Rochester, PA, just north of Pittsburgh, PLS ships nearly one million loads annually utilizing a proprietary web-based transportation management platform. The loads are transported throughout North America via a network of over 7,500 motor carriers with more than 80,000 trucks, Class-1 railroads, and major barge companies. PLS partners logistics professionals with industry-leading technology to provide value for clients by optimizing their supply-chain efficiency, improving service and reducing their total cost of transportation.
